

Children's Message: Sunday, March 15

Pastor Sam Gyorfi

Hi Everyone

This is our children's message for today

Today our lesson is about the story of Jesus. Before Jesus left his disciples, he told his disciples that he was not afraid. He even was going (when he left the disciples) to take the throne of David. Do you guys remember the story of King David? Maybe, you can remember the story the King David and Goliath.

King David was a boy, maybe a teenager, and he was working for King Saul. There was a Philistine giant named Goliath, who wanted to fight the Israelites. He was asking to fight their best warrior, but all the Israelites were afraid. King David said, "Why are you all afraid? Hasn't God promised us that he will care for us and we will win the battle?" So, David went out to meet Goliath in the battle. He used a slingshot and threw a rock at Goliath and hit him right in the head.

I don't really have any toys or things that represent Goliath, but do you know what I do have? An ATST and a little Martin Luther.

Now can you imagine, if someone was just a person and they had to face a big scary machine. They would probably run away, and the machine would chase after them. But that's not what David did. David said, "No! I believe that God is with me!" He threw a stone and it hit Goliath. BOOM! It knocked Goliath right over!

Now, did you know that Jesus was also facing something really scary? Jesus was facing the Romans and was scared of what they might do to him, but Jesus had faith. Jesus believed that what he would go through would be good for all of his followers. Jesus talked to his disciples, before he left them. He told them that he was going to send them a helper, he was going to send them the Holy Spirit to help them when he left them.

So, little brothers and sisters, we need to remember that like David, we don't need to be afraid. We can take down all sorts of giants that might scare us. God promises that he will be with us and Jesus, when he left his disciples, told them, "Don't be afraid." He said, "Don't let your hearts be troubled."

I want to encourage you today as you sit and worship with your family. As you sit and think about this story, I want you to think about this story of David and Goliath. We have nothing to be afraid of. We are just worshipping in a house church because we need to be careful. We have nothing to be afraid of because God will be with us, we can trust God and what he is doing in our lives.
